

BECOME CONNECTABLE SOCIAL MEDIA GUIDE

Help our community become connectable by sharing the message with your friends and family on social media. After taking the pledge, here is a step-by-step guide on how to support the effort.

STEP ONE

“Like” or “Follow” Connectable on social media.

By liking or following us, you will see Connectable updates on your personal feed and will be able to interact with the Connectable pages. Connect with us on three social media channels:

- **Facebook:** “Like” us at facebook.com/ConnectableJax
- **Twitter:** “Follow” us at twitter.com/ConnectableJax?
- **Instagram:** “Follow” us at instagram.com/ConnectableJax

STEP TWO

Share Connectable updates with your friends.

If you see a post or video that inspires you, share it on your personal feed. This means your friends, even those who don't follow Connectable, will see the post. It's a great way to spread the message and get people to interact.

STEP THREE

Like and comment on Connectable updates.

One of the best ways to engage in the campaign is by liking or commenting on our posts directly. It allows you to show your support while connecting with others.

STEP FOUR

Tag Connectable and use the hashtag #IAmConnectable.

When you are posting about Connectable, make sure to tag us at [@ConnectableJax](https://twitter.com/ConnectableJax) and use the hashtag #IAmConnectable. This will allow anyone who reads your post to click on the link and go straight to Connectable social media to learn more.
